Medical Forms and General Information

Each camper's parent or legal guardian must complete the required medical forms. Note: acknowledgment of a completed physical is required on one of these forms. Medical aid is provided on site by a licensed athletics trainer. Campers' parents/guardians are billed directly for all medical services rendered by urgent care facilities, local hospital, or other medical care facilities outside of UT Sports Medicine and not covered by their insurance. Upon registration, you will receive a link to complete medical forms in your confirmation email. You will also receive an email directly from DocuSign after the successful completion of your online registration. Please fill out the forms in their entirety and submit them electronically. **Campers will not be allowed to participate in camp unless we have received all necessary medical paperwork, no exceptions.**

Medication

Prescription medications should be given to the camp medical staff at Check-In. Please place medications in a zip-lock bag with written instructions, dosage amounts, times, and camper name on the bag. If your camper is taking a general over-the-counter medication and is age appropriate and responsible enough to take the medication on their own, they may keep it in their bag. However, please let the trainers know about the medication during check-in.

Inclement Weather

In the case of inclement weather, we will conduct all camp activities inside the practice bubble to ensure camper safety. All guests will be required to return to their vehicles for the duration of the camp to allocate enough space for the safety of campers, coaches, and staff.

Camp Staff

The Steve Sarkisian Texas Football Camps employs coaches with varying backgrounds in football. The Camp will have 70-100 counselors/assistant coaches each session to provide coaching and supervision in all areas, and to maintain a low camper/staff ratio. The camp staff provides a line of help and support for campers when needed. Most importantly, they are excited to work at our camp, share their knowledge and passion for the sport, and provide great life experience!

The Camp also retains a licensed Athletic Trainer on staff. Our trainer is on-site at all sessions. The trainer will handle all camper illness/injury, treatment, doctor's visits, medications, and correspondence with parents in this area.

ALL camp employees undergo an extensive screening and interview process that includes passing an annual, comprehensive, criminal background check performed by the University of Texas Human Resources Department. Per Texas state law, all camp staff must also complete a course on child abuse awareness and reporting every two years. All camp staff are also required to pass a yearly Title IX training.

Camp Rules

Please read thoroughly and keep this copy for your records. If you have any questions about the camp rules, please contact the camp director. BY ATTENDING THIS CAMP, YOU ARE AGREEING ADHERE TO THE CAMP RULES.

1. NO SMOKING, ALCOHOL, WEAPONS OR DRUGS. The use and/or possession of alcohol, drugs, tobacco, and any other illegal or inappropriate substance or items (firearms, lighters, matches, knives, etc.) by campers is prohibited. Any items found will be confiscated and calls to parents and appropriate law enforcement officials (if warranted) made.
2. CAMPERS ARE NOT ALLOWED TO LEAVE THE CAMP FOR ANY REASON. If there is a problem, campers should notify their coach.
3. Horseplay, excessive noise, or disobedience during meals, in the bubble or at the practice site will not be tolerated.
4. Campers should immediately report any illness or injury to their coach or camp director who will refer them to an Athletic Trainer. The Athletic Trainer has final authority to allow a camper to miss a camp session. If campers must miss a session due to illness or injury, we will contact the parents and they may be sent home.
5. Be extremely careful when crossing all streets. Be aware of vehicles and bicycles. Always use the crosswalk.
6. Balls will be assigned to each field. All balls will be counted and must be turned in before leaving the field.
7. Be on time and have all the necessary items before each practice.
8. Do not leave anything on the field after practice. Trash must be placed in trash cans. Clean up any spills. Take your belongings with you. Do not expect anything to be there when you return.
9. No gum or cell phones during practice.

10. Treat all camp staff and other campers with respect at all times.

11. Be respectful of the world class, university atmosphere at The University of Texas. Also, be respectful of those around you. People are working, attending classes, and studying while the camps are in session.

The Coach Sark Texas Football Camps staff wants to ensure that each camper has a positive camp experience. Misbehavior of one camper or a group of campers can negatively affect the experiences of others, and our camp staff will make every effort to ensure that does not happen. Although the camp rules touch on some offenses that will get a camper immediately dismissed from camp, the following procedures are in place to make sure we act in a reasonable and consistent manner. Again, please note that if the offense warrants, any steps listed may be skipped or repeated at the discretion of the camp staff.

First Offense: Campers who do not follow camp rules or exhibit behavior that has a negative impact on other campers will be warned by the camp coaches.

Second Offense: Subsequent misconduct will result in a meeting with the Camp Director and a Texas Football full-time staff member. The Camp Director will contact the parent or guardian to advise them of the situation and tell them that the camper will need to be picked up from camp if the misconduct continues.

Third Offense: The camper will again meet with the Camp Director and a Texas Football full-time staff member. The parent or guardian will be notified, and the camper will be dismissed from camp. Please note, we want to ensure the safety of all campers. In addition, we want to make sure that each camper has a positive camp experience. The steps listed above are to ensure a reasonable and consistent method is used when disciplining campers.

FINAL DECISIONS RELATED TO DISCIPLINE ISSUES ARE MADE BY THE
HEAD COACH WITH INPUT FROM THE COACHING STAFF, CAMP DIRECTOR,
AND OTHER NEEDED ATHLETIC DEPARTMENT STAFF.
CAMPERS DISMISSED FROM CAMP FOR
DISCIPLINARY REASONS WILL NOT RECEIVE A REFUND.

Youth Protection Program

All summer programs involving minors at The University of Texas at Austin follow guidelines set forth by the Youth Protection Program (YPP). The purpose of the YPP is to promote the safety of minors participating in camps or programs on university premises or participating in those programs sponsored or supported by the University. All camps and programs work closely with the YPP Manager to ensure that every program operates in accordance with all of the university's policies, rules and regulations, as well as the laws of The State of Texas regarding the safety of minors. More information about the YPP is available online at www.youthprotectionprogram.utexas.edu, and questions can be directed to the YPP Manager at ypp@utexas.edu.

ADA Accommodations

If you require ADA accommodations to participate in the Coach Sark Texas Football Camps, please contact Jason Rodriguez at jason.rodriquez@athletics.utexas.edu. Please inform us as early as possible should special accommodation be needed for your camper. The University of Texas complies with ADA guidelines. All Coach Sark Texas Football Camp facilities have proper ADA accommodations.

Campus Concealed Carry

On June 1, 2015, Gov. Greg Abbott signed S.B. 11, also known as the "campus carry" law. S.B. 11 provides that license holders may carry a concealed handgun throughout university campuses, starting Aug. 1, 2016. The law gives public universities some discretion to regulate campus carry.

The University of Texas at Austin and President Jay Hartzell take issues surrounding guns on campus very seriously and will strive to create policies that conform to the new law, protect the rights of citizens and ensure the safety and security of the entire campus. S.B. 11 provides that after consulting with students, staff and faculty regarding "the nature of the student population, specific safety considerations and the uniqueness of the campus environment" the university may enact reasonable rules and regulations regarding:

- Carrying of concealed handguns by license holders on campus; and
- Storage of handguns in dormitories or other residential facilities

The law stipulates, however, that these rules and regulations may not "generally prohibit" or "have the effect of generally prohibiting" license holders from carrying concealed handguns on campus. The purpose of the Youth Protection Program (YPP) is to protect all minors in their university- sponsored activities and interactions involving members of The University of Texas at Austin community. Pursuant to S.B. 11 (the "Campus Carry Law"), the YPP Policy prohibits the carrying of a concealed handgun by any person involved in a University of Texas at Austin camp/program for minors. This Policy also applies to parents and guardians who are visiting or transporting a participating minor to and from camps/programs at The University of Texas at Austin.

"PURSUANT TO SECTION 30.06, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH A CONCEALEDHANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A CONCEALED HANDGUN"

Please see the Campus Carry Implementation (www.campuscarry.utexas.edu/) website for more information.
